MANAGEMENT INFORMATION CIRCULAR

This management information circular (the “**Circular**”) is furnished in connection with the annual general and special meeting (the “**Meeting**”) of the holders (the “**Shareholders**”) of subordinate voting shares (the “**Subordinate Voting Shares**”) and multiple voting shares (the “**Multiple Voting Shares**” and, collectively with the Subordinate Voting Shares, the “**Shares**”) of FAX Capital Corp. (the “**Company**”) to be held on May 19, 2021 at 2:00 p.m. (Toronto time) online at <https://web.lumiagm.com/295874043> (password: “**faxcapital2021**”) and any continuation thereof after an adjournment or postponement.

The information contained herein is given as of March 31, 2021, except as otherwise stated.

SECTION I – VOTING INFORMATION

Solicitation of Proxies

The enclosed proxy is being solicited by or on behalf of the management of the Company. The mailing to Shareholders of this Circular will be on or about April 22, 2021. The cost of soliciting proxies will be borne by the Company. While most proxies will be solicited by mail only, directors, officers and employees of the Company may also solicit proxies by telephone or in person. Such directors, officers and employees will receive no additional compensation for these services other than their regular salaries, but will be reimbursed by the Company for their reasonable expenses.

Record Date

The board of directors of the Company (the “**Board**”) has fixed the close of business on April 14, 2021 as the record date (the “**Meeting Record Date**”) for the purpose of determining Shareholders entitled to receive the notice of meeting (the “**Notice of Meeting**”) and vote at the Meeting.

The Company will prepare, no later than ten (10) days following the Meeting Record Date, a list of Shareholders entitled to vote as of the Meeting Record Date, showing the number and class of Shares held by each such Shareholder. See “*Voting Shares*” below for a description of the voting rights attached to the Subordinate Voting Shares and Multiple Voting Shares.

Registered Shareholders

“**Registered Shareholders**” are Shareholders whose Shares are held in their own name and who will have received a proxy form in their own name. Only Registered Shareholders, or the persons they appoint as their proxies, are permitted to vote at the Meeting.

Non-Registered/Beneficial Shareholders

“**Beneficial Shareholders**” are Shareholders who do not hold their Shares in their own name, but rather in the name of an intermediary or nominee (an “**Intermediary**”), which can include, among other things, a bank, a trust company, a securities dealer or broker and a trustee or administrator of a self-administered registered savings plan, registered retirement income fund, registered education savings plan or similar registered plan.

If you hold your Shares through an Intermediary, there are two (2) ways you can vote your Shares. Your Intermediary is required to seek voting instructions from you in advance of the Meeting in accordance with securities laws, and so you will receive, or will have already received from your Intermediary, a “Request for Voting Instructions” or a proxy form for the number of Shares you hold. Every Intermediary has its own mailing procedures and provides its own signing and return instructions. Therefore, please follow them in order to make sure that your Shares are voted.

Beneficial Shareholders may vote at the Meeting by appointing a proxyholder in accordance with the steps set out below under “*Appointment of Proxy Holders*”.

In accordance with the requirements of National Instrument 54-101 – *Communication with Beneficial Owners of Securities of a Reporting Issuer*, the Company will have distributed copies of this Circular and form of proxy (including any “Request for Voting Instructions” made by an Intermediary) to Intermediaries for onward distribution to Beneficial Shareholders.

Under applicable Canadian securities laws, Beneficial Shareholders are either: (i) “objecting beneficial owners” or “OBOs”, who object to the disclosure of information about their ownership in the Company by Intermediaries; or (ii) “non-objecting beneficial owners” or “NOBOs”, who do not object to such disclosure.

Management of the Company, or its agent, will send this Circular and form of proxy (including any “Request for Voting Instructions” made by an Intermediary) directly to both Registered Shareholders and to NOBOs. If you are a NOBO, and the Company or its agent has sent these materials directly to you, your name and address and information about your holdings of Shares have been obtained in accordance with applicable securities regulatory requirements from the Intermediary holding Shares on your behalf. By choosing to send these materials to you directly, the Company (and not the Intermediary holding on your behalf) has assumed responsibility for: (i) delivering these materials to you; and (ii) executing your proper voting instructions. Please return your voting instructions as specified in the form of proxy or “Request for Voting Instructions”.

Management of the Company does not intend to send this Circular and form of proxy (including any “Request for Voting Instructions” made by an Intermediary) directly to OBOs and does not intend to pay for Intermediaries to send such materials to OBOs. Accordingly, OBOs will not receive the Circular and form of proxy unless the Intermediary assumes the costs of delivery.

Appointment of Proxy Holders

The persons named in the enclosed form of proxy are officers of the Company. **A Shareholder has the right to appoint a person or company (who need not be a Shareholder), other than the persons whose names appear in such form of proxy, to attend and to act for and on behalf of such Shareholder at the Meeting and at any adjournment or postponement thereof.** To exercise this right, the Shareholder must either insert the name of the desired person in the blank space provided in the proxy and strike out the other names or submit another proper form of proxy and, in either case, deliver the completed proxy by post or other form of delivery to the Company’s transfer agent for the Shares, Computershare Investor Services Inc. (“**Computershare**”) at:

Computershare Investor Services Inc.
100 University Avenue, 8th Floor
Toronto, Ontario
Canada
M5J 2Y1

to be received not later than 2:00 p.m. (Toronto time) on May 17, 2021 or, in the event the Meeting is adjourned or postponed, not less than 48 hours prior to the time of such adjourned or postponed meeting. The proxy voting cut-off may be waived or extended by the Chair of the Meeting (the “**Chair**”) at his discretion without notice.

The Shares represented by an appropriate form of proxy will be voted on any ballot that may be conducted at the Meeting, or at any adjournment or postponement thereof, in accordance with the instructions contained on the form of proxy and, if the Shareholder specifies a choice with respect to any matter to be acted on, the Shares will be voted accordingly. **In the absence of instructions, such Shares will be voted FOR each of the matters described in the Notice of Meeting.**

If you have appointed a person who was designated by the Company to vote on your behalf as provided in the enclosed form of proxy and you do not provide any instructions concerning any matter identified in the Notice of Meeting, the Shares represented by such proxy will be voted:

1. **FOR** the election of the persons nominated for election as directors of the Company;
2. **FOR** the re-appointment of Deloitte LLP (“**Deloitte**”) as auditors of the Company and to authorize the Board to fix the remuneration of the auditors; and
3. **FOR** the Amended Voluntary Measures By-Law Resolution (as defined herein).

The enclosed form of proxy, when properly signed, confers discretionary authority on the person or persons named to vote on any amendment to matters identified in the Notice of Meeting and on any other matter properly coming before the Meeting, or any adjournment or postponement thereof. Management is not aware of any such matter; however, if such matter properly comes before the Meeting, or any adjournment or postponement thereof, the proxies will be voted at the discretion of the person or persons named therein.

Shareholders who wish to appoint a third-party proxyholder to represent them at the Meeting **must submit their form of proxy or “Request for Voting Instructions” (if applicable) prior to registering their proxyholder. Registering your proxyholder is an additional step once you have submitted your proxy or “Request for Voting Instructions”. Failure to register your proxyholder will result in your proxyholder not receiving a username which is required to participate in the Meeting.** To register a proxyholder, Shareholders **MUST** visit <http://www.computershare.com/FaxCapital> by 2:00 p.m. on May 17, 2021 and provide Computershare with their proxyholder’s contact information, so that Computershare may provide the proxyholder with a username via email.

If a Shareholder who has submitted a completed proxy prior to the proxy voting cutoff attends the Meeting and has accepted the terms and conditions when entering the Meeting, any votes cast by such Shareholder on a ballot will be counted and the submitted proxy will be disregarded. **Without a username, proxyholders will not be able to participate at the Meeting.**

Revocability of Proxies

A Shareholder executing the enclosed form of proxy has the right to revoke it at any time before it is exercised pursuant to the terms set out below. Relevant provisions of the *Canada Business Corporations Act* (the “CBCA”) provide that a Shareholder may revoke a proxy by depositing an instrument in writing, executed by the Shareholder or by an attorney authorized in writing, at, or by transmitting, by telephonic or electronic means or any other manner permitted by law, a revocation to, the registered office of the Company at any time up to and including the last business day preceding the day of the Meeting, or any adjournment or postponement thereof, or by depositing such instrument with the Chair on the day of the Meeting, or any adjournment or postponement thereof, or in any other manner permitted by law. The Chair may waive or extend the proxy cut-off without notice.

If you are using a 15-digit control number or a username assigned by Computershare to login to the Meeting and you accept the terms and conditions, you will be revoking any and all previously submitted proxies. However, in such a case, you will be provided the opportunity to vote by ballot on the matters put forth at the Meeting. If you **DO NOT** wish to revoke all previously submitted proxies, do not accept the terms and conditions, in which case you can only enter the Meeting as a guest.

Interest of Certain Persons or Companies in Matters to be Acted Upon

Other than as set forth herein, management of the Company is not aware of any material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, of any person who has been a director or executive officer of the Company at any time since the beginning of the Company’s last financial year, any proposed nominee for election as director of the Company or of any associate or affiliate of any such persons, in any matter to be acted upon at the Meeting.

Voting Shares

The authorized capital of the Company currently consists of an unlimited number of Subordinate Voting Shares and an unlimited number of Multiple Voting Shares. As of March 31, 2021, there were 15,843,872 Subordinate Voting Shares and 26,971,411 Multiple Voting Shares issued and outstanding.

The following summary of the voting rights attached to the Subordinate Voting Shares and Multiple Voting Shares is qualified in its entirety by reference to the full text of the rights, privileges, restrictions and conditions of the Subordinate Voting Shares and Multiple Voting Shares contained in the Company’s Articles of Amendment dated November 20, 2019 (the “Articles”) and available on the Company’s profile on the System for Electronic Document Analysis and Retrieval (“SEDAR”) at www.sedar.com or the Company’s website at www.faxcapitalcorp.com. Upon request, the Company will promptly provide a copy of the Articles free of charge to any Shareholder.

Holders of Subordinate Voting Shares are entitled to one (1) vote per Subordinate Voting Share and holders of Multiple Voting Shares are entitled to ten (10) votes per Multiple Voting Share on all matters upon which Shareholders are entitled to vote. As set out below, holders of Subordinate Voting Shares and the holders of Multiple Voting Shares will vote together as a single class, except as otherwise expressly provided in the Articles or as provided by law. **Except for the Amended Voluntary Measures By-Law Resolution, holders of Subordinate Voting Shares and holders of Multiple Voting Shares will vote together on all matters set forth in the Notice of Meeting as if there were one (1) class of shares.**

Except as required by the CBCA, applicable securities laws or the Articles, holders of Subordinate Voting Shares and Multiple Voting Shares will vote together on all matters subject to a vote of holders of both

classes of shares as if they were one class of shares. Under the CBCA, certain types of amendments to the Articles are subject to approval by a “special resolution”, as such term is defined under the CBCA, of the holders of the Company’s classes of shares voting separately as a class, including amendments to:

- change the rights, privileges, restrictions or conditions attached to the shares of that class;
- increase the rights or privileges of any class of shares having rights or privileges equal or superior to the shares of that class; and
- make any class of shares having rights or privileges inferior to the shares of such class equal or superior to the shares of that class.

Without limiting other rights at law of any holders of Subordinate Voting Shares or Multiple Voting Shares to vote separately as a class, neither the holders of the Subordinate Voting Shares nor the holders of the Multiple Voting Shares are entitled to vote separately as a class upon a proposal to amend the Articles in the case of an amendment to: (a) increase or decrease any maximum number of authorized shares of such class, or increase any maximum number of authorized shares of a class having rights or privileges equal or superior to the shares of such class; or (b) create a new class of shares equal or superior to the shares of such class, which rights are otherwise provided for in paragraphs (a) and (e) of subsection 176(1) of the CBCA. Pursuant to the Articles, neither holders of Subordinate Voting Shares nor holders of Multiple Voting Shares will be entitled to vote separately as a class on a proposal to amend the Articles to effect an exchange, reclassification or cancellation of all or part of the shares of such class pursuant to subsection 176(1)(b) of the CBCA unless such exchange, reclassification or cancellation: (a) affects only the holders of that class; or (b) affects the holders of Subordinate Voting Shares and Multiple Voting Shares differently, on a per share basis, and such holders are not already otherwise entitled to vote separately as a class under applicable law or the Articles in respect of such exchange, reclassification or cancellation.

Pursuant to the Articles, holders of Subordinate Voting Shares and Multiple Voting Shares are treated equally and identically, on a per share basis, in certain change of control transactions that require approval of shareholders under the CBCA, unless different treatment of the shares of each such class is approved by a majority of the votes cast by the holders of Subordinate Voting Shares and Multiple Voting Shares, each voting separately as a class at a meeting of the holders of that class called and held for such purpose.

Principal Shareholders

To the knowledge of the directors and executive officers of the Company, as of March 31, 2021, the only persons or companies that beneficially owned, directly or indirectly, or exercised control or direction over, ten percent (10%) or more of the voting rights of the Subordinate Voting Shares or the Multiple Voting Shares are as follows:

Name of Shareholder	Number and Class of Securities Owned, Controlled or Directed	Percentage of Class of Outstanding Securities
Fax Investments Inc.	299,247 Subordinate Voting Shares ⁽¹⁾	1.89%
	26,971,411 Multiple Voting Shares	100%

Note:

- (1) Prior to the exercise of the Founder Warrants, as defined below, in the capital of the Company. On a fully diluted basis, Fax Investments Inc. (“FII”) held 1.85% of the outstanding Subordinate Voting Shares.

The votes attaching to the Subordinate Voting Shares and the Multiple Voting Shares owned and controlled by FII constitute approximately 94.6% of the total votes attaching to all of the Shares that may be voted at the Meeting.

Restricted Security Disclosure and Coattail Agreement

The Subordinate Voting Shares are “restricted securities” within the meaning of such term under applicable securities laws in Canada. The terms and conditions of the Subordinate Voting Shares and the Multiple Voting Shares are substantially identical with the exception of the voting rights attached to the Multiple Voting Shares, as described above, and the conversion rights, as described below. As at the date hereof, the issued and outstanding Subordinate Voting Shares represent approximately 5.5% of the voting rights attached to all of the Company’s outstanding voting securities.

As of March 31, 2021, the Multiple Voting Shares and Subordinate Voting Shares held by FII collectively represent approximately 94.6% of the voting rights attached to all of the Company’s outstanding voting securities and 63.7% of the equity of the Company, prior to the exercise of the Subordinate Voting Share purchase warrants (the “**Founder Warrants**”).

Under applicable Canadian law, an offer to purchase Multiple Voting Shares would not necessarily require that an offer be made to purchase Subordinate Voting Shares.

In accordance with the policies of Canadian stock exchanges, designed to ensure that, in the event of a take-over bid, the holders of Subordinate Voting Shares are entitled to participate on an equal footing with holders of Multiple Voting Shares, on December 17, 2018, FII, as the owner of all the outstanding Multiple Voting Shares, entered into a coattail agreement (the “**Coattail Agreement**”) with the Company and Computershare Trust Company of Canada, acting as trustee (the “**Trustee**”) for the benefit of the holders of Subordinate Voting Shares.

The Coattail Agreement contains provisions customary for dual class, listed corporations designed to prevent transactions that otherwise would deprive the holders of Subordinate Voting Shares of rights under the take-over bid provisions of applicable Canadian securities legislation to which they would have been entitled if the Multiple Voting Shares had been Subordinate Voting Shares.

The undertakings in the Coattail Agreement do not apply to prevent a sale of Multiple Voting Shares by a holder of Multiple Voting Shares who is a party to the Coattail Agreement if concurrently an offer is made to purchase Subordinate Voting Shares that:

- offers a price per Subordinate Voting Share at least as high as the highest price per share paid or required to be paid pursuant to the take-over bid for the Multiple Voting Shares;
- provides that the percentage of outstanding Subordinate Voting Shares to be taken up (exclusive of Subordinate Voting Shares owned immediately prior to the offer by the offeror or persons acting jointly or in concert with the offeror) is at least as high as the percentage of outstanding Multiple Voting Shares to be sold (exclusive of Multiple Voting Shares owned immediately prior to the offer by the offeror and persons acting jointly or in concert with the offeror);
- has no condition attached other than the right not to take up and pay for Subordinate Voting Shares tendered if no shares are purchased pursuant to the offer for Multiple Voting Shares; and
- is in all other material respects identical to the offer for Multiple Voting Shares.

In addition, subject to the provisions of the Articles, the Coattail Agreement does not prevent the sale of Multiple Voting Shares by a holder thereof to a Permitted Holder (as such term is defined in the Articles), provided such sale does not or would not constitute a take-over bid or, if so, is exempt, or would be exempt, from the formal bid requirements (as defined in applicable securities legislation). The conversion of Multiple Voting Shares into Subordinate Voting Shares will not, in and of itself, constitute a sale of Multiple Voting Shares for the purposes of the Coattail Agreement.

Under the Coattail Agreement, any sale of Multiple Voting Shares (including a transfer to a pledgee as security) by a holder of Multiple Voting Shares who is a party to the Coattail Agreement will be conditional upon the transferee or pledgee becoming a party to the Coattail Agreement, to the extent such transferred Multiple Voting Shares are not automatically converted into Subordinate Voting Shares in accordance with the Articles.

The Coattail Agreement contains provisions for authorizing action by the Trustee to enforce the rights under the Coattail Agreement on behalf of the holders of the Subordinate Voting Shares. The obligation of the Trustee to take such action is conditional on the Company or holders of the Subordinate Voting Shares providing such funds and indemnity as the Trustee may require. No holder of Subordinate Voting Shares has the right, other than through the Trustee, to institute any action or proceeding or to exercise any other remedy to enforce any rights arising under the Coattail Agreement unless the Trustee fails to act on a request authorized by holders of not less than ten percent (10%) of the outstanding Subordinate Voting Shares and reasonable funds and indemnity have been provided to the Trustee.

The Coattail Agreement provides that it may not be amended, and no provision thereof may be waived, unless, prior to giving effect to such amendment or waiver, the following have been obtained: (a) any necessary consent of the Toronto Stock Exchange (“TSX”) (or other stock exchange on which the Subordinate Voting Shares are then listed for trading) and any other applicable securities regulatory authority in Canada; and (b) the approval of at least two-thirds of the votes cast by holders of Subordinate Voting Shares represented at a meeting duly called for the purpose of considering such amendment or waiver, excluding votes attached to Subordinate Voting Shares held directly or indirectly by holders of Multiple Voting Shares, their affiliates and related parties and any persons who have an agreement to purchase Multiple Voting Shares on terms which would constitute a sale for the purposes of the Coattail Agreement other than as permitted thereby.

No provision of the Coattail Agreement limits the rights of any holders of Subordinate Voting Shares under applicable law.

Deloitte was appointed as the auditor of the Company effective July 19, 2018.

No vote will be taken with respect to the audited annual financial statements and receipt of the audited annual financial statements will not constitute approval or disapproval of any matters referred to therein. These documents are available under the Company's profile on SEDAR at www.sedar.com, the Company's website at www.faxcapitalcorp.com, and copies may be obtained from the Company upon request.

B. Election of Directors

Corporate Cease Trade Orders or Bankruptcies

None of the proposed directors is, as at the date of this Circular, or has been within the ten (10) years before the date of this Circular, (a) a director, chief executive officer or chief financial officer of any company (including the Company) that was subject to an order that was issued while the proposed director was acting in the capacity as director, chief executive officer or chief financial officer, or (b) was subject to an order that was issued after the proposed director ceased to be a director, chief executive officer or chief financial officer and which resulted from an event that occurred while that person was acting in the capacity as director, chief executive officer or chief financial officer, or (c) a director or executive officer of any company (including the Company) that, while that person was acting in that capacity, or within a year of that person ceasing to act in that capacity, became bankrupt, made a proposal under any legislation relating to bankruptcy or insolvency or was subject to or instituted any proceedings, arrangement or compromise with creditors or had a receiver, receiver manager or trustee appointed to hold its assets. For the purposes of this paragraph, "order" means a cease trade order, an order similar to a cease trade order or an order

that denied the relevant company access to any exemption under securities legislation, in each case, that was in effect for a period of more than thirty (30) consecutive days.

Penalties or Sanctions

None of the proposed directors have been subject to any penalties or sanctions imposed by a court relating to securities legislation or by a securities regulatory authority or has entered into a settlement agreement with a securities regulatory authority or been subject to any other penalties or sanctions imposed by a court or regulatory body that would likely be considered important to a reasonable securityholder in deciding whether to vote for a proposed director.

Individual Bankruptcies

None of the proposed directors has, within the ten (10) years before to the date of the Circular, become bankrupt, made a proposal under any legislation relating to bankruptcy or insolvency, or become subject to or instituted any proceedings, arrangement or compromise with creditors, or had a receiver, receiver manager or trustee appointed to hold the assets of that proposed director.

Unless the Shareholder has specified in the enclosed form of proxy that the Shares represented by that proxy are to be withheld from voting with regard to the election of a director, the persons named in the enclosed form of proxy intend to vote FOR the election of each of the five (5) nominees whose names are set out in the table above.

C. Appointment of Auditor

Deloitte was appointed as the auditor of the Company effective July 19, 2018, replacing the Company's former auditor, DNTW, that resigned effective July 19, 2018, at the request of the Company. The Company's determination to change the auditor was not as a result of any "reportable event" as such term is defined in National Instrument 51-102 – *Continuous Disclosure Obligations* ("NI 51-102"). The resignation of DNTW and appointment of Deloitte was considered and, upon recommendation of the Audit Committee, approved by the Board.

In connection with this change in auditor, the change of auditor "reporting package", as such term is defined in NI 51-102, was filed on SEDAR at www.sedar.com.

Management proposes that Deloitte be re-appointed as auditors for the Company for the ensuing year and that the Board be authorized to fix their remuneration. Please refer to the section entitled "*External Auditor Service Fees*" at page 44 of the Company's Annual Information Form dated March 25, 2021 which is available on SEDAR at www.sedar.com, or on the Company's website at www.faxcapitalcorp.com, for information on the external auditor fees incurred by the Company for the financial year ended December 31, 2020.

Unless the Shareholder has specified in the enclosed form of proxy that the Shares represented by that proxy are to be withheld from voting on the appointment of auditors, the persons named in the enclosed form of proxy intend to vote FOR the re-appointment of Deloitte, as auditors of the Company to hold office until the Company's next annual meeting of Shareholders, and to authorize the Board to fix the remuneration of the auditors. In order to be passed, this resolution must be approved by a vote of not less than fifty percent (50%) of the votes cast by Shareholders at the Meeting, present in person or by proxy.

D. Amended Voluntary Measures By-Law Resolution

Overview

The current general by-law (the “**General By-Law**”) governing the Company’s business and affairs, such as the establishment of a quorum for meetings of directors and Shareholders, was enacted on July 17, 2018 and was confirmed by Shareholders at the Company’s special meeting of Shareholders held on November 23, 2018.

As part of its public offering, which closed on November 21, 2019 (the “**Offering**”), the Company and FII adopted a number of measures (the “**Voluntary Measures**”) that define its business, the scope of its operations and the acquisition and subsequent disposition of the Multiple Voting Shares held by FII. These Voluntary Measures, among other things, set out the business objective of the Company, set limits on the Company’s investment concentration and minimum number of investments and require the Company to use a qualified custodian to hold certain investments and other assets.

Certain Voluntary Measures have been expressly included in the Company’s by-laws. On August 28, 2019, the Board determined that it was in the best interests of the Company to enact By-Law No. 2019-3 which contains certain of the Voluntary Measures (the “**Voluntary Measures By-Law**”). Shareholders confirmed the Voluntary Measures By-Law at a special meeting of Shareholders held on September 25, 2019. Following the confirmation of the Voluntary Measures By-Law, the Voluntary Measures were amended, as described in the Company’s final prospectus dated October 18, 2019 (the “**Prospectus**”).

On November 20, 2019, the Board determined that it was in the best interests of the Company to amend and restate the Voluntary Measures By-Law (the “**A&R Voluntary Measures By-Law**”) in order to better reflect the Voluntary Measures included in the Company’s by-laws as described in the Prospectus and to make certain administrative amendments to the Voluntary Measures By-Law. Shareholders confirmed the A&R Voluntary Measures By-Law at the Company’s annual general and special meeting of Shareholders held on June 25, 2020.

Summary of Proposed Change to the A&R Voluntary Measures By-Law

On April 6, 2021, the Board determined that it was in the best interests of the Company to further amend and restate the A&R Voluntary Measures By-Law (the “**Second A&R Voluntary Measures By-Law**”) in order to remove Section 3 of the A&R Voluntary Measures By-Law (the “**Investment Concentration Restriction**”) which is reproduced below:

Each of the Company's portfolio investments is subject to a concentration restriction that prohibits the Company from making an investment if, after giving effect to such investment, such investment would exceed 20% of the Total Assets; provided, however, that the Company will nonetheless be permitted to complete up to two portfolio investments where, after giving effect to each such investment, the total amount of each such investment would be equal to no more than 25% of the Total Assets. For the purposes of this Section 3, the “Total Assets” means the aggregate fair value of the assets of the Company on a particular date, without deduction of liabilities.

As a condition to the closing of the Offering, the Company adopted the initial Voluntary Measures By-Law which included the Investment Concentration Restriction. The Investment Concentration Restriction was adopted in order to ensure a certain level of diversification within the Company’s investment portfolio.

Since the closing of the Offering, the Company has made investments in eight (8) businesses (each, a “**Portfolio Company**”) and has invested approximately sixty percent (60%) of the Net Proceeds of the Offerings, as such term is defined in the Prospectus. Additionally, the Portfolio Companies operate in a range of sectors and geographic areas. Given the current state of the Company’s capital deployment and the Company’s investment strategy to invest with a long-term view, there may be opportunities to invest an amount greater than 25% of the Company’s total assets in any one investee company from time to time.

As such, the Board is of the view that the risks that the Investment Concentration Restriction was originally designed to mitigate are now outweighed by the potential benefits of allowing the Company to allocate a larger proportion of its efforts and capital on a highly select number of investments should the opportunity arise, while ensuring the appropriate governance safeguards are in place to manage any associated risks. Notwithstanding, in accordance with the A&R Voluntary Measures By-Law, the Company will invest in no less than six Portfolio Companies with the Net Proceeds of the Offerings. As such, the Board has determined that, for the reasons stated below, it would better serve the Company to remove the Investment Concentration Restriction from the A&R Voluntary Measures By-Law.

By removing the Investment Concentration Restriction, the Company will have access to a larger universe of potential investments and the Company will be able to make larger investments in current Portfolio Companies, if determined to be in the best interests of the Company. While no specific investment opportunities have been identified by the Company that would necessitate an investment in an amount greater than what is currently permitted under the Investment Concentration restriction, the Company believes that the removal of the Investment Concentration Restriction will provide management of the Company with increased flexibility to execute on the Company's business objective and investment strategies should one or more investment opportunities be identified and be determined to be in the best interests of the Company.

Consistent with the Company's current practice, upon the removal of the Investment Concentration Restriction, the Company will continue to seek both the majority approval of the members of the Company's Investment Committee in respect of any initial investment, as well as at prescribed thresholds thereafter, as well as the approval of the Board with respect to: (i) any proposed public company investment in an amount that represents, or is intended to represent, a position greater than ten percent (10%) of that company's issued and outstanding securities; (ii) any proposed public investment representing a position greater than ten percent (10%) of the Company's total assets at the time of investment; or (iii) any proposed investment in a private company.

The confirmation by Shareholders of the Second A&R Voluntary Measures By-Law will not affect the General By-Law and the provisions of the General By-Law will remain in full force and effect. The complete text of the Second A&R Voluntary Measures By-Law is set out in Appendix "A" to this Circular.

Shareholder Approval

Pursuant to the provisions of the CBCA, Shareholders may confirm, reject or amend the Second A&R Voluntary Measures By-Law at the Meeting. If Shareholders do not approve the ordinary resolution confirming the adoption of the Second A&R Voluntary Measures By-Law, it will no longer be valid.

Pursuant to the A&R Voluntary Measures By-Law, the prior approval by an ordinary resolution (as such term is defined in the CBCA) of the holders of the Multiple Voting Shares and the Subordinate Voting Shares, each voting separately as a class, is required for the proposed amendments contained in the Second A&R Voluntary Measures By-Law.

Accordingly, at the Meeting, holders of Multiple Voting Shares and holders of Subordinate Voting Shares will be asked to consider and, if deemed appropriate, pass the Amended Voluntary Measures By-Law Resolution in the form set forth in Schedule "A", subject to amendments, variations or additions as may be approved at the Meeting, confirming the adoption of the Second A&R Voluntary Measures By-Law. No Shareholders are excluded from voting in respect of the Amended Voluntary Measures By-Law Resolution. The Amended Voluntary Measures By-Law Resolution must be passed by:

- (i) a majority of the votes cast by the holders of the Multiple Voting Shares present in person, or represented by proxy, at the Meeting; and
- (ii) a majority of the votes cast by the holders of the Subordinate Voting Shares present in person, or represented by proxy, at the Meeting.

The Board recommends that Shareholders vote FOR the Amended Voluntary Measures By-Law Resolution.

PROXIES RECEIVED IN FAVOUR OF MANAGEMENT WILL BE VOTED IN FAVOUR OF THE AMENDED VOLUNTARY MEASURES BY-LAW RESOLUTION, UNLESS THE SHAREHOLDER HAS SPECIFIED IN THE PROXY THAT HIS, HER OR ITS SHARES ARE TO BE VOTED AGAINST THE AMENDED VOLUNTARY MEASURES BY-LAW RESOLUTION.

Removal of Investment Allocation Objective

Overview

The Company has previously stated that it “currently anticipates that approximately eighty percent (80%) of the Net Proceeds of the Offerings will be allocated towards public entities via the Company’s “Public Company Investments” strategy, and commits to invest at least sixty percent (60%) of the Net Proceeds of the Offerings in public entities” (the “**Investment Allocation Objective**”).

The Company has determined that adhering to the Investment Allocation Objective is no longer in the best interests of the Company as market conditions change with greater frequency than ever before. Instead, the Company will make investments in public and private entities, with the allocation between public and private investments to be determined in consultation with the Board from time to time based on market conditions and such other factors as management and the Board deem relevant.

The decision to no longer adhere to the Investment Allocation Objective was made to provide the Company with increased flexibility to pursue investments in either public or private entities, based on then current market conditions, without being confined by the allocation limits imposed by the Investment Allocation Objective. Currently, the Company believes that investments in private entities may generally have more potential long-term upside as compared to public entities and that by removing the Investment Allocation Objective, the Company will be able to better take advantage of this trend. Conversely, should market conditions change, the removal of the Investment Allocation Objective will allow the Company to opportunistically pivot its focus to investments in public entities.

The Investment Allocation Objective is not contained in the A&R Voluntary Measures By-Law and nor is its amendment or revocation otherwise subject to Shareholder approval. As such, Shareholders will not be asked to vote at the Meeting on the Company’s decision to no longer adhere to the Investment Allocation Objective.

SECTION III – EXECUTIVE COMPENSATION AND OTHER INFORMATION

Named Executive Officers

The purpose of this section is to describe the significant elements of the compensation for the named executive officers (each a “**NEO**”) and directors of the Company. In the financial year ended December 31, 2020, the NEOs were: (i) Blair Driscoll, Chief Executive Officer; (ii) Edward Merchand, Chief Financial Officer; and (iii) Ryan Caughey, General Counsel and Corporate Secretary.

Compensation Discussion and Analysis

The Governance, Compensation and Nominating Committee is responsible for ensuring that the Company has in place an appropriate plan for executive compensation and for making recommendations to the Board with respect to the compensation of the Company’s executive officers. The Governance, Compensation and Nominating Committee ensures that total compensation paid to all NEOs is fair and reasonable and is consistent with the Company’s compensation philosophy.

An investment holding company is distinctly different from an operational company. It has limited day-to-day operations and its primary focus is to make and help grow investments that will produce long-term value creation for its shareholders. The compensation philosophy for such an investment holding company, therefore, needs to be conducive to driving long-term decision-making to achieve its business's objectives.

This long-term focus is reflected in the Company's compensation philosophy and policies.

Compensation Philosophy

The Company's compensation policy is aligned with its approach of rewarding all employees fairly, responsibly and competitively, according to their capabilities, skills, duties and level of performance.

Key compensation principles embedded in the compensation policy are designed to:

- establish a compensation structure that is consistent with the Company's overall business strategy, objective and values;
- ensure a compensation design that encourages long-term decision-making and supports the interests of Shareholders;
- ensure a compensation design which supports the retention and attraction of highly qualified and motivated executives and supports succession planning;
- reward consistent performance over the long-term in line with a performance-based culture;
- foster an environment of teamwork and co-operation;
- create a mechanism for ensuring that executive compensation is fair and responsible in the context of overall Company compensation; and
- report compensation practices in a transparent manner.

The compensation of NEOs includes three (3) principal elements: (i) base salary; (ii) annual cash incentive; and (iii) long-term equity-based compensation awards granted under the Company's amended and restated Long-Term Incentive Plan (the "LTIP").

The Governance, Compensation and Nominating Committee reviews, from time to time and at least once annually, the risks, if any, associated with the Company's compensation program at such time. As at the date hereof, the Governance, Compensation and Nominating Committee has not identified any risks associated with the Company's compensation program that would be reasonably likely to have a material adverse effect on the Company.

Base Salary

Base salary levels of the Company's executive officers are set at amounts believed to be sufficient to attract and retain highly qualified executives when considered with other components of the Company's compensation structure. Base salaries deliver the only form of fixed compensation and are not, over the long-term, intended to be the most significant component of an executive's compensation. Base salaries for senior and other executives are reviewed annually to reflect, among other things, level of experience, contribution of each executive, and the Company's operating performance.

Annual Cash Incentive

Annual cash incentives provide a pay-for-performance component of executive officer compensation, which is intended to motivate and reward individuals for achieving annual business objectives and for making decisions and taking actions which are consistent with the Company's long-term focus. Annual cash incentives are discretionary and are based on a percentage of the annual base salary.

As an investment holding company with a long-term value creation objective, the impact of decision-making is difficult to assess in the short-term because the success of an investment is most often only determinable

years later. Therefore, the Company believes that its ability to exercise discretion in granting annual cash incentives is vital to ensuring that the annual cash incentives granted reflect the assessment of risk in the decisions and actions taken by management, and that such decisions and actions are aligned with the implementation of the Company's long-term business strategy. Discretion affords the Company the flexibility to consider unexpected circumstances or events that may have occurred during the year, and to assess whether or not annual objectives were not met because management made decisions in the best long-term interest of the Company or due to factors outside of management's control.

The Governance, Compensation and Nominating Committee determines the annual cash incentive portion of compensation for the executive officers of the Company, including the NEOs. Accordingly, the Governance, Compensation and Nominating Committee begins with a review of the management team's collective performance in meeting the Company's broader business plan objectives. These objectives include both short-term operational goals and objectives related to the implementation of the Company's long-term business strategy. Given the emphasis on long-term value creation, some of the objectives set at the beginning of the year may change during the year.

Each year, the Governance, Compensation and Nominating Committee reviews:

- the accomplishments during the year;
- why certain objectives were not met or certain actions were not undertaken; and
- additional initiatives undertaken by management, which were not contemplated in the initial objectives.

Accordingly, annual cash incentive awards are determined based on the Governance, Compensation and Nominating Committee's:

- assessment of management's decisions and actions and how those decisions and actions align with the Company's long-term strategy of value creation and how management considered the risks associated with such decisions; and
- determination of whether any objectives were not met because management made decisions in the best long-term interests of the Company or due to factors outside of management's control.

The personal performance of Blair Driscoll, Chief Executive Officer, as well as the performance of the other executive officers, is reviewed each year and compared with the Company's operational results and the achievement of the strategic objectives set out at the beginning of the year. The determination of annual cash incentive awards is not formulaic but instead is entirely based on the Governance, Compensation and Nominating Committee's assessment of the specific actions taken during the year by the team to implement the Company's strategic plans and any amendments to the plans, all in the context of long-term value creation, and other actions taken in response to unforeseen developments during the year.

Long Term Compensation

Long-Term Incentive Plan Awards

On January 17, 2019, the Board adopted the Company's LTIP, the purpose of which is to attract, retain and motivate directors and employees of the Company and its subsidiaries. The LTIP is designed to: (i) encourage Share ownership; (ii) align eligible participants' interests with the performance of the Company; (iii) encourage the retention of key employees within the Company; and (iv) attract highly qualified employees by remaining competitive in terms of total compensation arrangements. The granting of long-term equity-based compensation awards is intended to be a significant component of executive compensation. The Governance, Compensation and Nominating Committee may take previous grants of Awards, as defined below, into account when making a recommendation to the Board in respect of a current proposed grant of Awards.

The LTIP authorizes the granting of equity-based compensation in the form of options (“**Options**”), restricted share units (“**RSUs**”), deferred share units (“**DSUs**”) and performance share units (“**PSUs**”, and collectively with the Options, RSUs and DSUs, the “**Awards**”, and each of them, an “**Award**”). RSUs may be granted as either Discretionary RSUs or as Elective RSUs. Discretionary RSUs are settled in Subordinate Voting Shares and Elective RSUs are cash settled. The only Awards under which Subordinate Voting Shares of the Company are authorized for issuance are Options and Discretionary RSUs (collectively “**Share Settled Awards**” and each of them a “**Share Settled Award**”).

Subject to adjustment under the LTIP, the aggregate number of Subordinate Voting Shares to be reserved and set aside for issuance upon the exercise or redemption and settlement of all Share Settled Awards granted under the LTIP, together with all other established security-based compensation arrangements of the Company, shall not exceed ten percent (10%) of the issued and outstanding Subordinate Voting Shares outstanding at the time of the granting of the Share Settled Award (on a non-diluted basis).

As at December 31, 2020, 223,830 Share Settled Awards had been granted under the LTIP and 15,866,136 Subordinate Voting Shares were issued and outstanding. Accordingly, there were 1,362,784 Subordinate Voting Shares unallocated and available for future grants of Share Settled Awards as at December 31, 2020. The LTIP burn rate for the most recently completed fiscal year is set out below:

LTIP			
Year End	Share Settled Awards Granted	Weighted Average Subordinate Voting Shares Outstanding	Burn Rate ⁽¹⁾
December 31, 2020	223,830	16,024,645	1.4%
December 31, 2019	Nil	2,149,673	0%

Note:

- (1) The annual burn rate is expressed as a percentage and is calculated by dividing the number of Share Settled Awards granted under the LTIP by the weighted average number of Subordinate Voting Shares outstanding for the applicable fiscal year.

The material terms of the LTIP are set out below under the heading “*Section IV – Long-Term Incentive Plan*”.

Performance Graph

The performance graph below relates to the cumulative total Shareholder return from January 1, 2016 to December 31, 2020 as compared with the total cumulative return of the S&P/TSX Composite Index for the same period. The Company completed a change of business transaction in December 2018 pursuant to which it changed from a mineral resource exploration company to an investment holding company. On November 21, 2019, the Company completed the Offering and its Subordinate Voting Shares, which were formerly listed on the Canadian Securities Exchange, were listed on the TSX. Accordingly, the Company, as at the end of its most recent fiscal year, being December 31, 2020, had only been operating its current business for approximately one (1) year and therefore it is difficult to provide a thorough discussion of how the trend shown by the below performance graph compares to the Company's compensation of executive officers over the same period.

	January 1, 2016	December 31, 2016	December 31, 2017	December 31, 2018	December 31, 2019	December 31, 2020
FAX Capital Corp. Subordinate Voting Shares	\$100	\$40	\$450	\$1800 ⁽¹⁾	\$325.60	\$283.99
S&P/TSX Composite Index Total Return	\$100	\$121.08	\$132.10	\$120.35	\$147.89	\$156.18

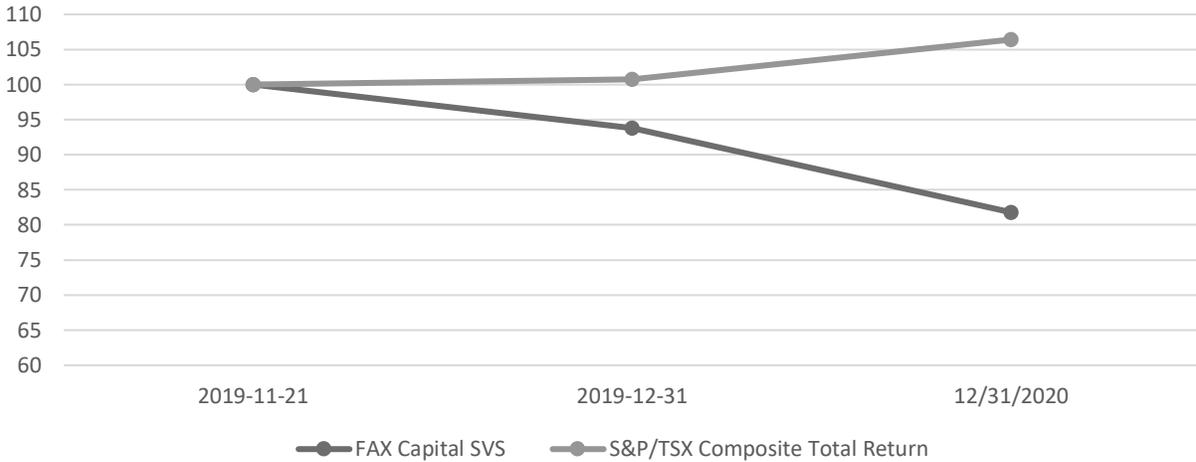

Note:

(1) Effective December 17, 2018, the Company's articles were amended to change the classification of the common shares into Subordinate Voting Shares.

Given the fundamental changes to the Company's business following the closing of the Offering on November 21, 2019, the Company believes that it is instructive to also provide the performance graph below which compares the cumulative total Shareholder return from November 21, 2019 with the total cumulative return of the S&P/TSX Composite Index for the same period. In the Company's view, this performance graph better illustrates the Company's performance for the period during which it has been operating under its current business model.

	November 21, 2019	December 31, 2019	December 31, 2020
FAX Capital Corp. Subordinate Voting Shares	\$100	\$93.78	\$81.79

Mr. Driscoll's annual base salary is \$200,000, which until further notice to the Company, he has chosen to forgo receiving in an effort to reduce operating expenses on account of the Company's early stage of development. Mr. Merchand's and Mr. Caughey's annual base salary is \$100,000, respectively. The employment agreements entered into by the Company with each of Blair Driscoll, Edward Merchand and Ryan Caughey provide that in the event the executive officer is terminated without cause, the executive officer shall receive six (6) months' notice or pay in lieu thereof, plus one (1) month's notice or pay in lieu thereof for each completed year of service after the first anniversary of the commencement of the executive officer's employment and to any and all entitlements under applicable employment standards legislation (including applicable employment standards legislation notice or termination pay, benefits and severance pay, if applicable), up to a maximum of twelve (12) months. Further, where the executive officer is terminated without cause, the executive officer is also entitled to any unpaid base salary as at the termination date, plus a pro-rated incentive payment for the stub period (the "**Stub Period**"), which is the period commencing on the first day of the fiscal year in which the termination date falls and ending on the termination date, pro-rated based on the number of days in the Stub Period and divided by 365, less any incentive payments already paid to the executive officer in respect of that period.

The following table indicates the estimated termination payment entitlements for applicable NEOs in the event of a termination on December 31, 2020.

Name	Estimated Payment in Respect of Termination Without Cause
Blair Driscoll	\$200,000
Edward Merchand	\$100,000
Ryan Caughey	\$100,000

Except as set forth above, the Company has not entered into any agreements that trigger payments to a NEO upon termination, resignation, retirement, a change in control of the Company or a change in the executive officer's responsibilities. See "*Circumstances Involving Cessation of Entitlement to Participate*" for the treatment of outstanding Awards under the LTIP upon the termination without cause of a NEO.

The Board, through the recommendations of the Governance, Compensation and Nominating Committee, is responsible for reviewing and approving any changes to the directors’ compensation arrangements. In consideration for serving on the Board, each director that is not an employee of the Company or an affiliate will be compensated as indicated below:

Type of Fee	Amount
Lead Director Annual Retainer	\$110,000/year

Other than as described above, the directors of the Company do not currently receive any fees in their capacities as directors, but are reimbursed for travel and other reasonable out-of-pocket expenses incurred in attending directors’ and Shareholders’ meetings. Directors of the Company receive no fee for attending meetings of the Board or any committee of the Board.

Restrictions on Purchase of Financial Instruments

Directors, officers and employees of the Company are prohibited from the practice of selling “short” securities of the Company and the practice of buying or selling a “call” or “put” or any other derivative security or financial instrument in respect of any securities of the Company.

Blackout Periods

The Company recognizes that for good corporate governance reasons many public issuers have internal policies prohibiting certain employees from buying or selling the Company’s securities or exercising stock

options during specific periods. The time periods in which these employees are not permitted to trade in an issuer's securities are often called "blackout periods." Trading restriction policies are not only a component of good corporate governance, they also assist in fostering compliance with legal requirements that prohibit people from trading in a public issuer's securities when they have material information about the issuer that has not been released to the public. A blackout period is designed to prevent a person from trading on material information that is not yet available to other security holders. For example, a blackout period occurs during a specified period before and after the day that an issuer announces its quarterly or annual earnings. A blackout period might also arise during the time that an issuer has material undisclosed information about an important potential transaction it might be considering, such as a significant merger or acquisition. The Company has adopted an Insider Trading, Reporting and Blackout Policy to foster a culture of compliance with Company blackout periods.

Indebtedness of Directors and Executive Officers

No current or former directors, employees or executive officers of the Company or any associate of any such persons were indebted to the Company as at December 31, 2020.

None of the current or former directors, employees or executive officers of the Company or any of its subsidiaries and none of the associates of such persons is or has been indebted to the Company or any subsidiary thereof at any time since the beginning of the Company's most recently completed fiscal year. Furthermore, none of such persons were indebted to a third party during such period where their indebtedness was the subject of a guarantee, support agreement, letter of credit or other similar arrangement or understanding provided by the Company or a subsidiary thereof.

SECTION IV – LONG TERM INCENTIVE PLAN

Recent Amendments to the LTIP

On May 14, 2020, the Board added an explicit provision to the LTIP providing that if the Grant Date (as defined below) of an Award as approved by the Board would fall on a day that is during a Blackout Period (as defined in the LTIP), or within ten (10) trading days following the end of a Blackout Period, the Grant Date shall be deemed to be the tenth (10th) trading day following the end of the Blackout Period. The amendment made to the LTIP as described above did not require Shareholder approval pursuant to the LTIP or the requirements of the TSX.

Material Terms of the LTIP

The material terms of the LTIP are as follows:

- 1. Grant of Awards:** Awards may be granted to any director or employee of the Company or any of its subsidiaries (collectively an "**Eligible Person**", and subsequent to being selected by the Governance, Compensation and Nominating Committee to participate in the LTIP, in accordance with the LTIP, a "**Participant**"). Awards granted pursuant to the LTIP may not be assigned, transferred, charged, pledged or otherwise alienated. The value of any Award on any particular date, including the Grant Date, shall be equal to the volume-weighted average trading price of the Subordinate Voting Shares for the ten (10) trading days immediately preceding such date as reported on the stock exchange on which the Subordinate Voting Shares are listed for trading or quoted (the "**Market Price**").
- 2. Number of Shares subject to Awards:** Subject to adjustment under the LTIP, the aggregate number of Subordinate Voting Shares to be reserved and set aside for issue upon the exercise or redemption and settlement for all Awards granted under the LTIP, together with all other established security-based compensation arrangements of the Company shall not exceed ten percent (10%) of the issued and outstanding Subordinate Voting Shares outstanding at the time of the granting of the Award (on a non-diluted basis). The LTIP is an "evergreen" plan. Accordingly, if the Company issues additional Subordinate Voting Shares in the future, the number of Subordinate Voting Shares issuable under the LTIP

will be increased accordingly. Any Subordinate Voting Shares subject to an Award which for any reason expires without having been exercised or is forfeited or terminated shall again be available for future Awards under the LTIP and any Subordinate Voting Shares subject to an Award that is settled in cash and not Shares shall again be available for future Awards under the LTIP.

3. LTIP Participation Limits: The LTIP, when combined with all of the Company's other security-based compensation arrangements, shall not result at any time in:

- (a) a number of Subordinate Voting Shares reserved for issuance under Awards granted to Insiders (as defined in the *Securities Act* (Ontario)) exceeding ten percent (10%) of the issued Subordinate Voting Shares (except with Shareholder approval, if so permitted in accordance with applicable regulatory requirements);
- (b) a number of Subordinate Voting Shares reserved for issuance under Awards granted to any one Participant exceeding five percent (5%) of the issued Subordinate Voting Shares (except with Shareholder approval, if so permitted in accordance with applicable regulatory requirements);
- (c) the number of Subordinate Voting Shares issued to Insiders (as defined in the *Securities Act* (Ontario)) within a 12-month period pursuant to the exercise of Awards exceeding ten percent (10%) of the issued Subordinate Voting Shares (except with Shareholder approval, if so permitted in accordance with applicable regulatory requirements);
- (d) the issuance to any one Participant, within a 12-month period (calculated from the date of grant of the Award (the "**Grant Date**"), of a number of Awards exceeding five percent (5%) of the issued Subordinate Voting Shares (except with Shareholder approval, if so permitted in accordance with applicable regulatory requirements); or
- (e) the issuance to any employees conducting Investor Relations Activities (as defined in National Instrument 45-106 – *Prospectus and Registration Exemptions*), within a 12-month period (calculated from the Grant Date), of a number of Subordinate Voting Shares exceeding an aggregate of two percent (2%) of the issued Subordinate Voting Shares.

4. Term of Awards: Subject to any blackout periods, in no circumstances shall the term of an Award exceed ten (10) years from the Grant Date.

5. Adjustments: The number and kind of Subordinate Voting Shares to which an Award pertains and, with respect to Options, the exercise price of such options, shall be adjusted in the event of a reorganization, recapitalization, stock split or redivision, reduction, combination or consolidation, stock dividend, combination of shares, merger, consolidation, rights offering or any other change in the corporate structure or shares of the Company, in such manner, if any, and at such time, as the Board, in its sole discretion, may determine to be equitable in the circumstances. Failure of the Board to provide for an adjustment shall be conclusive evidence that the Board has determined that it is equitable to make no adjustment in the circumstances.

6. Administration of the LTIP: The LTIP is administered by the Governance, Compensation and Nominating Committee. Awards are granted to Eligible Persons by the Board on the basis of the recommendations from the Governance, Compensation and Nominating Committee, from time to time, including the number, term and vesting criteria of such Awards. The Governance, Compensation and Nominating Committee has the power to establish policies and rules related to the LTIP and to interpret the LTIP.

7. Amendment, Suspension or Termination of LTIP or Awards: The Governance, Compensation and Nominating Committee may amend, suspend or discontinue the LTIP or Awards at any time at its discretion, in good faith, acting reasonably, without obtaining the approval of the Shareholders or

Participants, provided, however, that no amendment, suspension or discontinuance of the LTIP or of any Award may: (i) materially and adversely affect any Award previously granted under the LTIP without the consent of the Participant; or (ii) contravene the requirements (if any) of the stock exchange or any securities commission or regulatory body to which the LTIP or the Company is subject to. Termination of the LTIP shall not affect the ability of the Governance, Compensation and Nominating Committee to exercise the powers granted to it under the LTIP with respect to Awards granted under the LTIP prior to the date of such termination.

8. Change in Control and Acceleration: In the event of a change in control (as defined in the LTIP), the Governance, Compensation and Nominating Committee shall have the right, but not the obligation, to permit each Participant to exercise all of its outstanding Options and to settle all of the Participant's outstanding RSUs, PSUs and DSUs (to the extent then vested, including by reason of acceleration) but subject to and conditional upon the completion of the change in control. In the event of a change in control, the Governance, Compensation and Nominating Committee may, in its discretion, accelerate the dates upon which any or all outstanding Awards shall vest and be exercisable or settled, without regard to whether such Awards have otherwise vested in accordance with their terms, subject to and conditional upon completion of the change in control event.

9. Blackout: If the expiry date or vesting date of an Award falls (i) during a blackout period, or (ii) within ten (10) trading days following the end of a blackout period, the expiry date or vesting date, as applicable, will be automatically extended for a period of ten (10) trading days following the end of the blackout period. In the case of a RSU, PSU or DSU granted to a Canadian taxpayer, any settlement that is effected during a blackout period shall be in the form of a cash payment. If the Grant Date of an Award falls (i) during a blackout period, or (ii) within ten (10) trading days following the end of a blackout period, the Grant Date shall be presumed to be the tenth (10th) trading day following the end of the blackout period.

Material Terms of the LTIP – Types of Awards

Options

Options are granted to Eligible Persons (excluding non-executive directors) as determined by the Board pursuant to recommendations of the Governance, Compensation and Nominating Committee from time to time. The exercise price per Subordinate Voting Share subject to each Option shall not be lower than Market Price. The expiry date for Options shall not exceed ten (10) years from the Grant Date.

Subject to the terms and conditions set out in the LTIP, each Option shall generally vest and become exercisable in approximately equal tranches of twenty-five percent (25%) of the total Award on the first anniversary of the Grant Date and each of the next three (3) anniversaries of the Grant Date. Once vested, Options may be exercised in cash or, if permitted by the Governance, Compensation and Nominating Committee, by a “cashless exercise” arrangement. The Company does not provide any financial assistance to Participants in connection with the LTIP.

RSUs

RSUs are granted to Eligible Persons as determined by the Board pursuant to the recommendations of the Governance, Compensation and Nominating Committee from time to time (“**Discretionary RSU**”) and the Board may also permit officers and employees of the Company or any subsidiary to elect to receive all or a portion of his or her annual cash incentive payable by the Company (or any subsidiary) as an Award of RSUs equal to the greatest whole number which may be obtained by dividing (i) the amount of such annual cash incentive, by (ii) the Market Price of one Subordinate Voting Share on the date of payment of such deferred annual cash incentive (“**Elective RSU**”).

Subject to the terms and conditions set out in the LTIP, each RSU shall vest and be settled on the date when all applicable restrictions have lapsed and:

- (a) each Discretionary RSU will vest and be settled not later than December 31 of the calendar year which is, at the sole discretion of the Board, no earlier than three (3) years and no later than five (5) years after the calendar year in which the Discretionary RSU was granted; and
- (b) each Elective RSU will vest immediately and be settled not later than December 31 of the calendar year which is three (3) years after the calendar year in which the Elective RSU was granted.

Unless otherwise determined by the Governance, Compensation and Nominating Committee in accordance with the provisions of the LTIP, the Company shall: (i) deliver to the Participant a cash payment equal to the Market Price of one Subordinate Voting Share for each vested Elective RSU being settled; and (ii) deliver to the Participant one Subordinate Voting Share for each vested Discretionary RSU being settled.

DSUs

DSUs are granted to Eligible Persons as determined by the Board pursuant to the recommendations of the Governance, Compensation and Nominating Committee from time to time (“**Discretionary DSU**”) and the Board may also permit members of the Board who are not also employees of the Company to receive all or a portion of his or her annual board retainer payable by the Company (or any subsidiary) as an Award of DSUs equal to the greatest whole number which may be obtained by dividing (i) the amount of such annual board retainer, by (ii) the Market Price of one Subordinate Voting Share on the date of payment of such annual board retainer (“**Elective DSU**”).

Subject to the terms and conditions set out in the LTIP:

- (a) each Discretionary DSU shall vest as determined by the Board; and
- (b) each Elective DSU shall vest immediately at the time it is credited to each Participant’s DSU account.

Settlement of DSUs granted to a Participant who is a Canadian taxpayer shall take place by no later than December 31 of the first calendar year that commences after the date that the Participant ceases to be a director or employee of the Company. Unless otherwise determined by the Governance, Compensation and Nominating Committee in accordance with the provisions of the LTIP, the Company shall deliver to the Participant a cash payment equal to the Market Price of one Subordinate Voting Share as of the settlement date for each vested DSU.

PSUs

PSUs are granted to Eligible Persons as determined by the Board pursuant to the recommendations of the Governance, Compensation and Nominating Committee from time to time.

The performance cycle applicable to each PSU shall generally be the period of time between the Grant Date and the date on which the specific performance criteria attributed to the PSU is satisfied, which for Canadian taxpayers, shall not be later than December 31 of the calendar year which is three (3) years after year in which the Grant Date occurs.

The Board shall determine the performance criteria to be used to determine the vesting of the PSUs, which may include (without limitation) criteria based upon the achievement of Company-wide, divisional or individual goals.

Unless otherwise determined by the Governance, Compensation and Nominating Committee in accordance with the provisions in the LTIP, each PSU shall: (i) vest on the date that is the end of the performance cycle, subject to the specific performance criteria having been satisfied, which, for Canadian taxpayers, shall not

be later than December 31 of the calendar year which is three (3) years after the year in which the Grant Date occurs; and (ii) be settled for a cash payment equal to the Market Price of one Subordinate Voting Share as of such settlement date.

SECTION V – CORPORATE GOVERNANCE

The Company believes that good corporate governance is an essential element of a well-managed company. The following is a description of the Company's corporate governance practices.

Mandate of the Board of Directors

The mandate of the Board is:

- to oversee, directly and through its committees, the business and affairs of the Company; and
- to act with a view towards the best interests of the Company.

In discharging its mandate, in addition to the general oversight of management, the Board is, among other matters, responsible for:

- overseeing the Company's major strategic issues (including major capital commitments and material mergers and acquisitions) and long-term strategy, and ensuring that the Company is pursuing a sound strategic direction in accordance with approved corporate objectives;
- assessing operational and financial plans relative to key quantitative and qualitative performance benchmarks, and approving annual fiscal plans and significant new initiatives;
- ensuring that it understands the principal risks inherent in the business activities of the Company, and that the appropriate systems are implemented to diligently monitor and manage those risks;
- reviewing and monitoring the controls and procedures within the Company to maintain its integrity, including its disclosure controls and procedures, and its internal controls and procedures for financial reporting and compliance; and
- safeguarding the equity interest of Shareholders through the optimum utilization of the Company's capital resources.

The Board also has the mandate to assess the effectiveness of the Board as a whole, its committees and the contributions of individual directors of the Company.

The Board has adopted a written position description for the chairman of the Board, which sets out the chairman's key responsibilities, including, as applicable, duties relating to setting Board meeting agendas, chairing Board meetings, ensuring appropriate committee structure is in place, establishing procedures to govern the Board's work and director development. Similar written position descriptions are in place for the chair of the Audit Committee and the chair of the Governance, Compensation and Nominating Committee. The Board has also adopted written position descriptions for the Lead Director and the Chief Executive Officer. The Lead Director's key responsibilities include ensuring that the Board acts and functions independently from management in fulfilling its duties and working closely with the chairman of the Board and the Chief Executive Officer to foster a healthy governance culture and an effective relationship between management and the Board. The primary functions of the Chief Executive Officer include leading management of the business and affairs of the Company, communicating with Shareholders, regulators and other stakeholders, as well as, duties relating to the Company's strategic planning and operational direction, Board interaction and succession planning.

The Company has adopted a written code of conduct and ethics (the "**Code of Conduct**") that applies to all employees, including temporary and contract employees, officers and directors of the Company and its affiliates. The objective of the Code of Conduct is to deter wrongdoing and to promote:

- honest and ethical conduct, including the ethical handling of actual or perceived conflicts of interest;
- compliance with applicable laws, rules, regulations and internal policies;

- full, fair, accurate, timely, and understandable disclosure in reports, documents and communications;
- the prompt internal reporting of violations of the Code of Conduct; and
- accountability for adherence to the Code of Conduct.

The Code of Conduct addresses, among other matters, conflicts of interest, protection of the Company's assets, confidentiality, fair dealing with stakeholders and employees, insider trading, compliance with laws and reporting any illegal or unethical behaviour. As part of the Code of Conduct, any person subject to the Code of Conduct will be required to avoid or fully disclose interests or relationships that are harmful or detrimental to the Company's best interests or that may give rise to real, potential or the appearance of conflicts of interest. The Board monitors compliance with the Code of Conduct by requiring all officers, directors and employees who become aware of any existing or potential violation of the Code of Conduct to report such violation to the Company's General Counsel or through an anonymous whistleblower email address. The Board will have the ultimate responsibility for the stewardship of the Code of Conduct. The Code of Conduct is available under the Company's profile on SEDAR at www.sedar.com and on the Company's website at www.faxcapitalcorp.com.

The Board takes steps to ensure that directors exercise independent judgment in considering transactions and agreements in respect of which they may have a material interest, which includes ensuring that directors are thoroughly familiar with the Code of Conduct and, in particular, the rules concerning reporting conflicts of interest or potential conflicts of interest.

Directors will be elected at each annual general meeting of Shareholders to hold office for a term expiring at the close of the next annual general meeting of Shareholders, or until a successor is duly elected or appointed, and will be eligible for re-election. Nominees will be nominated by the Governance, Compensation and Nominating Committee, in each case, for election by Shareholders as directors in accordance with applicable corporate law and will be included in the proxy-related materials to be sent to Shareholders prior to each annual general meeting of Shareholders.

The Company does not impose term limits on its directors, as it takes the view that term limits are an arbitrary mechanism for removing directors which can result in valuable, experienced directors being forced to leave the Board solely because of length of service. Instead, the Company believes that directors should be assessed based on their ability to continue to make a meaningful contribution. The Company's annual performance review of directors assesses the strengths and weaknesses of directors and, in its view, together with annual elections by the Shareholders, is a more meaningful way to evaluate the performance of directors and to make determinations about whether a director should be removed due to under-performance.

The Board holds regularly scheduled meetings at least once every fiscal quarter. Independent directors do not hold regularly scheduled meetings at which non-independent directors and members of management are not in attendance. The Lead Director, whose role was discussed above, is independent and is responsible, among other things, for ensuring that the Board acts and functions independently from management in fulfilling its duties.

The following table sets out the attendance of each director at the Board and committee meetings held in 2020.

Paul Gibbons	Audit Committee (Chair) Governance, Compensation and Nominating Committee	4 of 4 Audit Committee meetings 4 of 4 Governance, Compensation and Nominating Committee meetings 8 of 8 Board meetings

Composition of the Board of Directors

The Board, as proposed in this Circular for election at the Meeting, consists of five (5) members, of whom the Board has determined that three (3) are independent, being Frank Potter, Edward Jackson and Paul Gibbons. As such, a majority of the directors are independent. Blair Driscoll is not independent by virtue of being the Chief Executive Officer of the Company and the President and Chief Executive Officer of FII and John F. Driscoll is not independent as he is the father of Blair Driscoll, the Chief Executive Officer of the Company.

Director Orientation and Continuing Education

The Board will oversee an appropriate orientation for new Board members in order to familiarize them with the Company and its business (including the Company's reporting and organizational structure, strategic plans, significant financial, accounting and risk issues, compliance programs and policies, management and the external auditors), the role of the Board and its committees and the contribution that an individual director is expected to make to the Board, its committees (as applicable) and the Company. The Board coordinates the development of continuing education activities or programs for directors, from time to time as appropriate, that, among other things, assist directors to maintain or enhance their skills and abilities as directors, and assist directors in ensuring that their knowledge and understanding of the Company and its business remain current.

In addition, Board members are expected to keep themselves current with industry trends and developments and are encouraged to communicate with management and, where applicable, auditors, advisors and other consultants of the Company. Board members have access to the Company's in-house and external legal counsel in the event of any questions or matters relating to the Board members' corporate and director responsibilities and to keep themselves current with changes in legislation. Board members have full access to the Company's records.

Directorships

Other than Edward Jackson, who's current directorships are disclosed above under "*Election of Directors – Director Nominees*", none of the directors of the Company are currently directors of other issuers that are reporting issuers (or the equivalent) in a jurisdiction in Canada or abroad.

Independence of the Board of Directors

To facilitate the functioning of the Board independently of management, the following structures and processes are in place:

- members of management on the Board are limited to a minority of the directors;
- when appropriate, members of management are not present for the discussion and determination of certain matters at meetings of the Board; and
- in addition to the standing committees of the Board, independent committees are appointed from time to time, when appropriate.

Committees of the Board of Directors

The Board has two (2) standing committees:

- the Audit Committee; and
- the Governance, Compensation and Nominating Committee.

Audit Committee

The Company's Audit Committee is comprised of Paul Gibbons (chairman), Edward Jackson and Frank Potter, each of whom is an independent director.

The Board has adopted a written charter for the Audit Committee which sets out the Audit Committee's responsibilities. The mandate of the Audit Committee is to oversee:

- the quality and integrity of the Company's financial statements and related disclosures;
- the Company's compliance with legal and regulatory requirements;
- the independent auditors' qualifications, performance and independence; and
- the integrity of the Company's internal controls.

The Audit Committee's responsibilities include, among other things:

- reviewing the Company's annual and interim financial statements, MD&A, and press releases regarding earnings before they are reviewed and approved by the Board and publicly disseminated by the Company;
- reviewing the Company's financial reporting procedures to ensure adequate procedures are in place for the Company's public disclosure of financial information extracted or derived from its financial statements, other than disclosure described in the previous paragraph; and
- overseeing the work of the Company's external auditor and recommending to the Board the external auditor to be nominated for election by the Shareholders at each annual general meeting of Shareholders and negotiating the compensation of such external auditor.

The Audit Committee will have direct communication channels with the Chief Financial Officer and the external auditors of the Company to discuss and review such issues as the Audit Committee may deem appropriate. For additional details on the Audit Committee, please refer to the section entitled "*Audit Committee*" beginning at page 43 of the Company's Annual Information Form dated March 25 2021 which is available under the Company's profile on SEDAR at www.sedar.com or the Company's website at www.faxcapitalcorp.com.

Governance, Compensation and Nominating Committee

The Company's Governance, Compensation and Nominating Committee is comprised of Edward Jackson (chairman), Paul Gibbons and Frank Potter, each of whom is an independent director.

The Board has adopted a written charter for the Governance, Compensation and Nominating Committee which sets out the committee's responsibilities. These responsibilities include, among other things:

- reviewing and assessing the Company's corporate governance guidelines and, as appropriate, recommending to the Board changes thereto;
- identifying and recommending individuals to the Board for nomination as members of the Board and its committees;
- developing and maintaining a succession plan in respect of the Company's members of senior management and the Board;
- reviewing and approving the annual remuneration of the Chief Executive Officer and other executive officers; and
- reviewing and recommending to the Board compensation of the members of the Board and the members of senior management.

The Governance, Compensation and Nominating Committee is responsible for establishing and implementing procedures to evaluate the effectiveness of the Board, committees of the Board and the contributions of individual Board members. The Governance, Compensation and Nominating Committee takes reasonable steps to evaluate and assess, on an annual basis, directors' performance and effectiveness of the Board, Board committees, individual members, the chairman of the Board and the committee chairs. Such assessment addresses, among other things, individual director independence, individual director and overall Board skills, and individual director financial literacy. The Board receives and considers the recommendations from the Governance, Compensation and Nominating Committee regarding the results of the evaluation of the performance and effectiveness of the Board, Board committees and individual members.

The directors believe that the members of the Governance, Compensation and Nominating Committee individually and collectively possess the requisite knowledge, skill and experience in governance and compensation matters, including human resource management, executive compensation matters and general business leadership, to fulfill the committee's mandate. All members of the Governance, Compensation and Nominating Committee have substantial knowledge and experience as former senior executives of large and complex organizations and/or as former directors on the boards of other publicly traded entities.

Diversity

For the purposes of this section, "designated groups" means women, Aboriginal peoples, persons with disabilities and members of visible minorities, as such terms are defined in the CBCA.

Due to the size and stage of development of the Company and its operations, the Board does not currently have a policy that specifically defines diversity, but the Governance, Compensation and Nominating Committee values diversity of experience, perspective, education, background, race, gender and national origin and whether a candidate is a member of a designated group as part of its overall evaluation of director nominees for election or re-election to the Board and values the same as part of its evaluation of candidates for management positions. This is, and will continue to be, achieved through ensuring that diversity considerations and considerations related to designated groups are taken into account for vacancies on the Board and in senior management positions, continuously monitoring the level of representation by members of designated groups on the Board and in senior management positions, continuing to broaden recruiting efforts to attract and interview qualified candidates who are members of designated groups, and committing to retention and training to ensure that the Company's most talented employees are promoted from within the organization. The Company, however, does not intend to adopt targets for representation by members of designated groups on the Board or for senior management positions, in part due to the need to consider a balance of criteria for each individual appointment and because it is ultimately the competence, skills, experience, character and behavioral qualities that are most important to determining the value which an individual could bring to the Board or senior management. Further, due to the small size

of the Board and management team and the early stage of development of the Company's business, the Board believes that the qualifications and experience of proposed new directors and executive officers should remain the primary consideration in the selection process and that setting of targets would not be efficient.

Currently, none of the directors nor executive officers of the Company are a member of a designated group.

Shareholder Communications

The Board has authorized management to represent the Company in its communications with Shareholders and members of the investment community. The Board has adopted a Disclosure Policy to ensure that all communications containing material information about the Company are timely, factual and accurate and broadly disseminated in accordance with applicable legal and regulatory requirements. The Company's Disclosure Policy is available on the Company's website at www.faxcapitalcorp.com.

In addition, management meets regularly with investors and other interested parties to receive and respond to inquiries and comments. The Company seeks to ensure that all inquiries and concerns receive a complete and timely response from the appropriate member of management.

The Board reviews the Company's significant communications with investors and the public, including the Company's MD&A, Management Information Circular, annual information form, annual report, annual audited financial statements and quarterly unaudited financial statements.

Expectations of Management

The Board has charged management with responsibility for the efficient management of the business and affairs of the Company and the identification and proposal of initiatives for the Company to secure opportunities as they arise. In order for the Board to effectively carry out its mandate, it regularly assesses the abilities of, and communicates those assessments to, management.

The Board recognizes the value of direct input from management as it serves to assist the Board in its deliberations. Where appropriate, members of management are invited to attend meetings of the Board and/or committees of the Board to provide their input on various matters.

SECTION VI – OTHER MATTERS WHICH MAY COME BEFORE THE MEETING

The form of proxy accompanying this Circular confers discretionary authority upon the persons named therein with respect to any amendments or variations of the matters of business to be acted on at the Meeting or any other matters properly brought before the Meeting or any adjournment or postponement thereof, in each instance, to the extent permitted by law, whether or not the amendment, variation or other matter that comes before the Meeting is routine and whether or not the amendment, variation or other matter that comes before the Meeting is contested. Management of the Company knows of no matter to come before the Meeting or of any amendment or variation to matters identified in the Notice of the Meeting, other than the matters referred to in the Notice of the Meeting. However, if matters not now known to management should properly come before the Meeting, Shares represented by proxies solicited by management will be voted on each such matter in accordance with the best judgment of the person voting such Shares.

INTERESTS OF MANAGEMENT AND OTHERS IN MATERIAL TRANSACTIONS

Other than as noted in this Circular, there are no material interests, direct or indirect, of any director or executive officer of the Company, any Shareholder that beneficially owns, or controls or directs (directly or indirectly), more than ten percent (10%) of the aggregate votes attached to the Multiple Voting Shares and Subordinate Voting Shares, or any associate or affiliate of any of the foregoing persons, in any transaction

within the three (3) years before the date hereof that has materially affected or is reasonably expected to materially affect the Company or any of its subsidiaries.

SHAREHOLDER PROPOSALS FOR THE NEXT ANNUAL GENERAL MEETING

In accordance with the CBCA, a Shareholder may be entitled to submit to the Company notice of any matter that the person proposes to raise at the next annual general meeting of Shareholders and the Company shall set out such proposal and the accompanying supporting statements, if any, in the management information circular for the next annual general meeting of Shareholders, provided such notice is given to the Company by January 12, 2022.
